IPARKS - Investing in the Safety of its Members

2019 iGrant Program

The IPARKS Board of Directors is pleased to announce the continuation of the loss control and risk management initiative—iGrant!

Building on the success of the IPARKS Swing Modification Program, the iGrant initiative is designed to help Members reduce or prevent liability claims and property losses by permitting all IPARKS Members to apply for up to \$500 in grant money to fund, or partially fund, safety items that will aid them in their loss control or risk management efforts.

Program Details

The iGrant Program is only available to IPARKS Members. All IPARKS Members are encouraged to participate and apply for a grant during the application period of January 1 through December 31, 2019. Applications that are incomplete or are not submitted within the required time frame may be deemed ineligible. Each applicant must be an IPARKS Member both at the time of submission and issuance of the grant funds. Approved funds will be issued once IPARKS membership is verified.

> Only qualifying expenses will be considered for iGrant funds. Qualified expenses include safety items wherein the primary purpose of the item is the prevention or reduction of liability claims or property losses.

> The funds are available for purchases or expenses incurred during the application period.

> Examples of qualified expenses include, but are not limited to:

- Playground surface materials
- Safety signage
- Safety cones or other hazard warning items
- Automated External Defibrillators
- Fire extinguishers
- Life jackets

The iGrant Program has a brief application that may be found on the IPARKS website at www.IPARKS.org or by contacting Wendy French at 888-748-7966 ext. 3136 or via email at wfrench@bfgroup.com.
