

NEW

ENHANCED GRANT REIMBURSEMENT PROGRAM!

At IPARKS, we understand the importance of keeping your property as safe as possible for **community visitors**. We are excited to announce an amendment to one of our grant reimbursement programs that will address not only a major safety concern, but a claims issue as well. **Trip hazards** are one of the biggest physical issues faced by our member facilities- and we want to help with fixing them.

SWING MODIFICATION IS NOW...

FALL PREVENTION REPAIR PROGRAM

The list includes but it not limited to:

- **Walking Paths**
- **Driveways**
- **Sidewalks**
- **Indoor Surfaces**

Each IPARKS member is eligible for up to **\$350** in reimbursement for expenses paid to fix a slip or trip hazard. Contact your IPARKS representative with questions today.

Ensuring member properties are free from trip and fall hazards is crucial in keeping your employees and community members safe.
